## **Parents' Brigade:**

This year the Starfires will be forming our "Parents' Brigade", to assist our coaches & instructors whenever we take the students to performances of any kind. Each competition, parade, etc. has its own specific rules and time schedule. Therefore, before each show, participating parents will meet with Terry, Charlene, & Audrey for a very short meeting (15 min.), to go over vital information.

This is a *volunteer* brigade. It is extremely important; since most performing groups the size of the Starfires, do have a similar team of parents.

We welcome all interested parents; you will be notified of meeting.  
Thanks so much, Terry Beverly.

## **The Starfires**

Welcome, and thank you for your interest in our classes. The purpose of our program is to provide training and opportunity for performance in the areas of popular dance, pom-pom, drill, cheerleading & tumbling, (which is taught in "Team Blue Cheer"). Our classes are designed to develop poise, coordination, showmanship, and TEAM SPIRIT while learning and performing at various events. Our classes are continual and progressive. Students will always be learning new materials & techniques. They may stay with the Starfires for months or years!

We attend approximately 3 parades, 4 contests, and 3 or more benefits or shows from September to June (weather permitting). You will be provided a performance schedule as soon as we have confirmed dates. (Schedule is subject to change or addition.) PLEASE KEEP ALL PERFORMANCE DATES OPEN – AND LET US KNOW IMMEDIATELY IF YOU HAVE A CONFLICT. WE NEED TO KNOW IF YOU ARE UNABLE TO ATTEND. Thanks.

## **Information & Rules**

### **CLASS FORMAT:**

Warm-up for each class will begin within 5 minutes of beginning class time. Stretch-out will immediately follow warm-up. All instruction will begin immediately after stretch-out. Any students who arrive late will need to warm-up & stretch-out with one of the instructors. Students will then join the in-progress routine instruction. Best to arrive early!

### **ATTENDANCE:**

We are interested in our students having fun as they learn, so in order for each student to receive the full benefit and for the group to run smoothly **REGULAR ATTENDANCE IS A MUST!!** For students to perform, they must **KNOW** and **BE ABLE** to perform **WITH CONFIDENCE** all routines necessary **BEFORE** "show." We will do our part as instructors to get everyone ready. There is no experience necessary, so, **RELAX AND YOU WILL BE SURPRISED AT WHAT YOU ARE ABLE TO DO!** Give yourself time!

*NOTE: Please do not ask to be in a show or performance if you have missed essential time from class, and are not prepared. (Notify Terry 373-2297 if you know you will be missing class or show time—we will work with you any way possible.)*

### **GENERAL PERFORMANCE RULE:**

Performances count toward class time. Students missing last 3 classes before a show (if not otherwise prepared) will not perform. We will work with you for **exceptions** whenever possible, if notified in sufficient time.

### **PARADE ATTIRE: (attention new students)**

We will be selling Starfires t-shirts at a reduced rate Saturday, Sept. 10th.

### **UPDATED INFORMATION FLYERS:**
